Spain.

MADRID, October 10.—The Provisional Junta has issued a programme, guaranteeing many reforms, among which are administrative decentralization, universal suffrage, religious liberty, the freedom of the press, the right of public assemblage, radical changes in the system of education, right of trial by jury, and the equality of all men before the law. The judges of courts are to be appointed for life.

The Provisional Junta has also issued a circular, invoking all Spanish officials and citizens to join in preserving order, and thus prove that the Revolution, just accomplished, was not anarchy nor violence, but peace and justice.

The elections of members for the Cortes have been fixed for the 15th of November.

John P. Hale, American Minister to Spain, has waited on Serrero and congratulated him.

Gonzales, Bravo's secretary, was mobbed yesterday, and badly hurt. Gen. Prim came upon the ground and made a speech to the rioters. He deplored any act of violence, and said the people could now afford to forget the wrongs of the former servants of the Crown.

LONDON, October 10.—The leaders of the Junta at Madrid are monarchial in their preferences, but have agreed to accept a republic if the people so pronounce at the election.

MADRID, October 10.—John P. Hale, United States Minister, had a cordial interview with Serrano to-day, and notified him of probable recognition by the United States after the lapse of one year.

MADRID, October 11.—The local Junta, at Seville, at the request of the United States Consul, have granted permission to the foreign residents to build a Protestant church within the walls of the city.

Don Elvero has been appointed Mayor of Madrid. All the Provinces have formally recognized the authority of the Central Provisional Junta, which was formed in this city.

Mexico Recognized.

FLORENCE, October 10.—The Italian government has officially recognized Juarez's government in Mexico.

Disturbances in Cuba.

BERLIN, October 10.—Reports having been received here of the lawlessness and disquietude existing in Cuba, the merchants of various cities of Germany have united in a request to the government to send ships of war to that island in order to guard the interests of German traders.

The Canvass.

LONDON, October 11.—Mr. Gladstone's address to the electors of South Lancashire is praised by the Liberal organs, who contrast its frank and positive tone with the vague and negative utterances of Disraeli. The Tory journals do not take up the "no Popery" cry of the Premier, but rest the claims of their party on the brilliant foreign policy of the ministry, the success of the Abyssinian war, the necessity for the defense of the Church of England from the dangers to which it is menaced, and the maintenance of strict economy in expenditures. On the latter point, however, they are sharply assailed by the Whigs, who point out the inconsistency between the precepts and practices in the power.

The Chinese Embassy

Are making progress in their preliminary negotiations with the British Government. It is reported that Mr. Burlingame finds that Lord Stanley is not unfriendly to the policy proposed by China, and that he is ready to treat the question on the broad grounds of civilization, free from the purely English point of view urged by the London Times. It is understood that the embassadors will be received by the Queen on the 20th instant. After their reception by the Queen, the embassy will make a visit to Paris.

Schleswig.

PARIS, October 11.—The reference to Schleswig made by the King of Denmark in his speech at the opening of the Reigsdag, indicates that semi-official journals here to declare France is pledged to the treaty of Prague, and that Prussia must not depart from the obligations of that compact.

Fears of War Abated.

The fears of a European war have abated. The Press, however, says the armories of France were never busier than at present.

It is understood warrants have been issued by the authorities for persons who are in Philadelphia arranging for a prize fight, to come off between O'Baldwin and Wormald; also for their aiders, abettors and backers. The officers are on the lookout for them, and a large number are named in the warrants.

FATAL RAILROAD ACCIDENT.

Two Night Trains on the Allegheny Valley Railroad Collide.

One Man Killed, both Engines and Five Oil Cars Wrecked.

The Oil Cars on Fire.

Damage to the Road About $30,000.

A frightful railroad collision occurred about half mile below Scrubgrass Station on the Allegheny Valley Railroad at six o'clock yesterday morning, resulting in the death of Richard Snyder, fireman, and the wrecking of both engines and five oil cars.

The down train was held back on account of the Republican Convention at Oil City, from half past seven until twelve o'clock Saturday evening. It left Venango City, with sixteen tank cars load d with oil, two passenger cars filled with passengers and a sleeping couch. The conductor, James Brien, received orders from the night dispatcher at this city, stating that the up train was running on schedule time, and he was to keep clear of he. The down train reached Scrubgrass Station, about twenty miles this side of Franklin, about half past one o'clock, and switched, expecting the Pittsburgh train to pass, and waited until five minutes past six o'clock Sunday morning, when the conductor determined to proceed to the next station, thinking that the up train, as it was so much behind time, had met with an accident. There had been a dense fog since daylight, but it cleared up at the station first before the train left, and the conductor ran his train slowly along, and about a quarter of a mile below the station the fog became very dense, so that it was impossible to see the distance between two telegraph poles ahead, and the train was stopped a moment. It was then started and in less than five minutes the two trains collided.

The shock was such as to wreck both engines, and three oil cars of the up train and two of other. A platform car loaded with boilers next the engine of the up train was thrown ahead of the engine and down an embankment. The fireman of the down train, Richard Snyder, of Pittsburgh, while attempting to jump from the engine, was caught between it and the tender, and both his legs were mangled in a shocking manner. There were pressing against the mangled limbs sixteen loaded oil cars on one side and twenty-four empty ones on the other. It was impossible for an hour and a half to extricate the unfortunate man from his terrible position. One of the oil cars had to be sawed in two and the tender and car forced back by jack screws. Snyder bore his sufferings heroically, never uttering a groan. He was taken to a hotel near the station, and Drs. Snowden & Gillet, of Franklin, telegraphed for. There were no night operators on duty at any station on the road except Lawrenceville, and it was half-past ten o'clock before the physicians could be procured. The leg which was mangled the worst, was immediately amputated, but the sufferings of the poor man had been so great that he did not survive the operation. He died a few minutes before twelve o'clock. Deceased had no relatives in this State; he was engaged to be married in a few days to a young lady of this city.

John Connelly, engineer of the down train, was slightly injured, but remained at his post until he was thrown through the cab window. The engineer and fireman of the up train jumped from the engine before the collision and escaped without serious injury. A number of Pittsburghers, among them Hon. Thomas M. Marshall and W. C. Moreland, Esq., were in the sleeping coach of the down train. None of the passengers were seriously injured as the shock was partially broken by the large number of oil cars. A wrecking train was sent down from Franklin, arriving at the scene of the accident about eleven o'clock; a large force of laborers was engaged during the afternoon removing the wreck; and had nearly cleared the track at six o'clock. A special train took up Superintendent King, of the Valley Road and a number of other Pittsburghers, arriving at Scrubgrass at four o'clock.

OIL ON FIRE.

The oil tanks of two of the wrecked cars were thrown from the track, and down a slight embankment; as the last one was being rolled down the rim of the tank struck fire on a stone, and set the oil on fire. An explosion followed, and the oil ran through the culvert a stream of liquid fire, and out into the river, the oil burning on the top of the water in zigzag flashes. The spectacle was terribly grand, and lasted for nearly an hour. It is estimated that the loss to the company, including the engines and cars, will be about $30,000.

THE PASSENGERS, AND THEIR OPINIONS OF THE ACCIDENT.

The passengers, as soon as the fireman had been extracted from his perilous position, returned to Scrub Grass Station; those going to Franklin and Oil City after breakfast, took the special train which was run down from Franklin.

Those coming down the road remained at the station and hotel until afternoon, when they took the special train run from Pittsburgh, reaching this city at half-past nine o'clock. The accident, if such it may be called, was the subject of excited conversation, and nearly everybody denounced in unmeasured terms the absence of night telegraph operators, with the trains both running behind time.

PURSE RAISED BY THE PASSENGERS.

Before the case of Snyder was considered hopeless, a subscription paper was started for him, the following passengers contributing: Henry Hurley, $20; Thomas M. Marshall, $20; J. K. Anderson, $20; J. Bates, $5; W. J. Young, $5; W. C. Barr, $5; J. Welsh, $5; W. C. Moreland, $5; J. C. Fawcet, $5; J. C. Porterfield, $5; Captain J. Wolff, $5; O. T. Bennett, $5; John Sharp, $5; J. W. St. George, $5; J. M. Brien, $5; James C. Johnson, $5; Charles Cowgill, $1 25; James H. Bray, $5; Wm. Mackey, $1; G. Robertson, $5; H. Hoffman, $5; Daniel Leech, $1; H. Gillespie, 50c; John Irwin, $1; J. H. Cain, $1. Total, $140.

ANOTHER ACCIDENT.

As the down train was leaving Venango City at twelve o'clock Saturday night, a man was run over near the station and killed. His body was not found until yesterday morning, when it was in a terribly mangled condition. Some swine during the night tore the clothing from the body. We were unable to obtain the name of the deceased.

CITY MATTERS.

IN A NEW PLACE.—Messrs. Goodman and Nelson, well known in billiard circles in this city, will re-open the St. Clair Billiard Rooms, corner of Liberty and Sixth (formerly St. Clair) streets, this evening. Several of our first-class players will be present and play friendly games in the course of the evening. See advertisement on first page.

DEATH FROM APOPLEXY.—Between three and four o'clock on Saturday afternoon Sarah Burk, residing on Penn street in the Twelfth ward, died suddenly of apoplexy superinduced by excessive drinking. Coroner Clawson empannelled a jury and the witnesses testified that she had been drinking to excess for about two months. The attending physician stated that the woman had died of apoplexy superinduced by excessive drinking, and the jury so found their verdict. The deceased was about thirty-three years of age and leaves no children.

NEWSPAPER MEN FOR COUNCILS.—As will be seen by our list of Republican ward nominations, published elsewhere, the editorial fraternity will be well represented in the new Councils. The *Gazette* sends Messrs. N. P. Reed and Thomas P. Houston, proprietors, and Mr. D. L. Fleming, foreman. The *Dispatch*, Mr. Alex. W. Rook, proprietor, and Mr. Frank P. Case, reporter. Mr. James Vick, a worthy typo of the *Chronicle* is renominated, as is also Mr. James M. McEwen, of Haven's job printing office. They will all doubtless make excellent "City Fathers."

BROUGHT BACK.—Officer Jerry Gumbert, of the Mayor's police force, on Saturday arrived from Cleveland, having in his charge the woman, Emma Davis, who is implicated in the robbery of Simonton's jewelry store in this city. The woman at first denied any complicity in the robbery, but finally acknowledged that she had received some of the goods. She persisted in saying that she did not steal them, but had them given her by another female. The Cleveland *Herald* contains a detailed account of her arrest in that city by officer Schmidt, which is of course uninteresting to our readers. She awaits a hearing on the charge mentioned.

Destructive Fire at Wheeling.

The Athenæum Malt House at Wheeling, occupied by Butterfield & Co., malsters, and Dobson & Bros., produce and commission merchants, was totally destroyed by fire at an early hour Saturday morning. Loss $120,000; insured for $50,000, principally in home companies. The building was well stored with grain, which was well insured.

THE PAVING OF STREETS.—Mr. John D. McFaden, Street Commissioner for the Second District, furnishes us with the following report of his operations: Third and Fourth avenues, from Ross and Try streets, and Gum street, from Webster avenue to Cliff street, have been paved and are now open to travel. The paving of Wide alley, from Logan to Townsend streets, has been finished, and the paving will be completed and the street opened to travel to Fulton street by Wednesday evening. Three squares of Liberty street, in the Twelfth ward, have been paved and are now open to travel. The paving of Twentieth (late Carson) street, in the Twelfth ward, and Kirkpatrick street, will commence this morning. The paving of Twenty-third (late Carroll) street will be finished by Wednesday evening next.

Alleged Naturalization Fraud—Arrest for Perjury.

On Saturday, Mr. John Cox appeared before Alderman John A. Strain, of the Third ward, and made an information against Samuel Proctor and W. M. Lewis, charging them with obtaining naturalization papers fraudulently with the intention of voting at the coming election. It is alleged that Proctor came here recently from Johnstown and went before the Court of Quarter Sessions, and by taking an oath that he had been five years in this country obtained naturalization papers, Lewis vouching for him. Mr. Cox alleges that he has evidence which will prove that Proctor has been in this country but two years. The accused were arrested and taken before the Alderman, who committed Proctor to jail for trial, in default of fifteen hundred dollars bail. Lewis was held for a further hearing on Friday next.

Accident on the Pan Handle Railroad.

On Saturday evening about four o'clock, a young man named William Chalfant, a brakesman on a stone train on the Pittsburgh, St. Louis and Cincinnati Railroad, was killed near Broadhead Tunnel by falling from the train. He was sitting on the train, it is supposed, asleep, and just before the train reached Broadhead tunnel he was jolted off. He fell beneath the wheels of the cars and the entire train passed over him, mangling him horribly. The watchman on duty near the Tunnel witnessed the accident and signalled the engineer to stop, but he was unable to check the train until it had passed over the unfortunate man. Coroner Clawson held an inquest and the jury found a verdict of accidental death. The diseased was only eighteen years of age and resided at Marietta, Ohio. The body was brought to Devore's in this city, where the inquest was held. The company will remove the body to Steubenville for burial. Chalfant had only been on the train for about three weeks.

COURT PROCEEDINGS.

Criminal Court—Judges Sterritt and Stowe.

Court met at ten o'clock on Saturday morning, and the following business was transacted:

THE SEWICKLEY ASSAULT CASE.

The jury in the case of Lawrence Hackett, Stephen Noonan and Rosa Noonan, indicted and tried for felonious assault and battery upon the person of Martin Welsh, retired on Friday evening, and were instructed to seal their verdict, and return the same on Wedesday morning.

THE DAKE OUTRAGE—SENTENCE OF KELLAR.

The District Attorney called up the cases of Peter Kellar and George Raub, tried and convicted of committing the outrageous assault upon Mrs. Dr. Dake, and which has been fully reported. Mr. Mueller, counsel for Raub, made a motion for a new trial in the case, and argued that the verdict of the jury was against the weight of the testimony, and also spoke of being able to produce additional after discovered evidence. Messrs. Woodward and Wilson opposed the motion, contending that the verdict was in accordance with law and the evidence adduced. Mr. Mueller, in support of his assertion that the injuries inflicted on Mrs. Dake were not so serious as the witnesses for the prosecution testified, called a young woman who stated that she saw Mrs. Dake looking out of the window of her house the week following the assault. The Court ordered Raub to be remanded until the matter could be further inquired into.

Kellar was then arraigned for sentence and in answer to an interrogatory of the Court, said he had nothing to say. Before passing sentence Judge Sterrett remarked that he was convinced that Kellar, in pointing out Mrs. Dake as a fit subject for arrest, was not actuated by motives tended for the public good, but rather that he had some evil designs in view. Kellar was then sentenced to undergo an imprisonment of three years in the Western Penitentiary.

THE DIVISION OF ELIZABETH TOWNSHIP.

On Saturday, October 3d, a petition was presented by N. W. Shaffer, Esq., in this Court providing for the division of Elizabeth township into two election precincts. The Court granted a rule to show cause why the division as prayed for should not be allowed, making the rule returnable on the 10th inst. On Saturday morning Mr. Shaffer moved that a final order be made, whereupon John M. Kirkpatrick, Esq., objected, and presented a petition for the division of precinct No. 1, in the same township, into two election districts, the new district to be called No. 3, and the proposed boundary lines to be as follows: Beginning at the Youghiogheny river line where Green Oak line intersects said river, along the Elizabeth and Green Oak road to the intersection of Ellwood Ferry and Douglass Mill road, thence along that road to the Youghiogheny river near Douglass Mills, and thence along the road to the place of beginning and to be called No. 3. The elections to be held at Concord School House, Buena Vista, Precinct No. 1, under the proposed division will embrace the remaining portion of the present district, bounded on the north by the Youghiogheny river, on the south and west by the Monongahela river, and on the east by Precinct No. 2 and the new district. The matter was held over for further consideration until the 17th inst., and a rule was granted to show cause why the petition presented by Mr. Kirkpatrick should not be granted.

Dedication of the North Avenue M. E. Church, Allegheny.

The new edifice of the North Avenue M. E. congregation at the corner of North avenue and Beaver street, Allegheny, of which Rev. E. B. Snyder is pastor, has been completed and was dedicated yesterday to the worship of Almighty God. The dedicatory services took place in the morning and were of a very interesting character. An immense congregation was present, and the aisles and standing room were all occupied. The pulpit was occupied by six ministers. The dedicatory sermon was delivered by Bishop Simpson, and was a most beautiful appeal, occupying an hour and a half in delivery. At the afternoon service, Rev. L. F. Morgan, D. D., preached, and at the evening service Rev. Dr. I. C. Pershing officiated.

Public Amusements.

OPERA HOUSE.—The distinguished comedian, John E. Owens, after an absence of eight years, reappears on the Pittsburgh stage at the Opera House this evening. Mr. Owens, in his line of characters, is beyond all question without an equal, and we expect to see during his present engagement the same crowded and fashionable audiences that he was wont to attract in times gone by. He will appear this evening as Major Wellington De Boots and as Solon Shingle, two characters in which he is without a rival. As the old teamster whose father "fit into the revolution, or leastways druv baggage waggin, and that same thing," he is irresistibly funny. Mr. Owens should have an enthusiastic welcome from a crowded audience.

VARIETIES.—Manager Williams announces several new attractions for this week, including Harry Robinson, the comedian, and the Mechanical Donkey. Pony Smith has also returned to the city, and will appear this evening. The entertainments at the Varieties are really delightful.

MUSEUM.—Major Burnell's Museum, Fifth avenue, above Wood street, continues to be the family resort. New attractions are constantly being added, and the Museum is decidedly a pleasant place to visit.

OFFICE HOURS from 9 A. M. till 4 P. M.

An Autograph Letter from George D. Prentice, Esq., Editor of the "Louisville Journal."

LOUISVILLE, November 1, 186[illegible].

Dr. LIGHTHILL—Dear Sir: I am very sorry to learn that you contemplate leaving Louisville at the end of the present week. I earnestly wish that your engagements elsewhere might permit you to remain here for a longer time.

Your sojourn among us, Dr. Lighthill, will be long remembered by our people. It has been a blessing to many. You have treated me and a female member of my family with great success. You seem to me to understand, as by intuition, the character of a malady and its best remedy. You have a multitude of patients in this city, and I have not seen or heard of one to whom you held out the promise of relief without realizing it. Your entire practice among us has been a brilliant success, and I cheerfully recommend you to my friends and the public at large as a physician deserving the utmost confidence.

Hoping that you may live long to be a blessing to additional thousands of the afflicted, I am, very truly, yours, GEORGE D. PRENTICE.

Testimonial from the Rev. John Nott, D. D., Professor of Union College, Schenectady.

SCHENECTADY, January 17th, 1866.

Dr. LIGHTHILL—Sir: Having been cured by you of a discharge in an ear, which has been very offensive of late, and, far back as I can remember, always more or less so, and having been entirely restored to hearing since under your care, I feel that I can not withhold this acknowledgment from any use it may be to others, especially as I have applied in vain to my family physician and other physicians of reputation.

Yours truly, JOHN NOTT.

Letter from C. C. Waite, Esq., Proprietor of the Sherman House, Chicago.

CHICAGO, November 9th, 186[illegible].

Dr. LIGHTHILL—Dear sir: I wish to express to you the appreciation of your skill as a practitioner, particularly in the relief afforded many afflicted with Catarrh; I, myself, having received permanent benefit from your treatment. Congratulating the afflicted in the West of an opportunity to avail themselves of your invaluable services, and wishing you much success, I am, yours very truly, C. C. WAITE.

Letter From Captain Silas F. Miller, Proprietor of the Burnett House, Cincinnati.

BURNETT HOUSE, February 8th, 186[illegible].

TO MY FRIENDS AND THE PUBLIC:

It affords me great satisfaction to be able to testify to the success of Dr. Lighthill in the treatment of deafness, and express my sense of obligation to him. My hearing has been impaired for a number of years, at times to such an extent as to embarrass me seriously. Dr. Lighthill, under whose care I placed myself, has removed the difficulty completely, and restored me to perfect hearing.
